CENTRAL SCHOOL.

Result of Examination for Term Ending 30th June, 1891.

On Tuesday of last week the closing exercises in the Central School took place. The examination commenced in the lower room in the forenoon, and the junior classes in the upper room were put through their facings in the afternoon. A large number of the parents and friends of the pupils were present to witness the proceedings, and were well rewarded for their trouble, not only by the seeing of so many handsome and tastefully dressed children, but by the cleverness shown by nearly every child in the school, as the following merit list will prove. We have no doubt the principal of the school is proud, and justly so, of his scholars. The chairman of the School Board, Mr. Macarthur, occupied the chair during the day in his usual dignified manner, and also distributed the prizes to the children of the lower room at the closing of the morning examination, which pleasing office was performed by Mrs. McGuire to the children of the upper room in the afternoon. The Rev. Mr. Rochester, Mr. Justice McGuire and Dr. Jardine were called upon to address the children, each of these gentlemen making kind remarks and wishing the children a pleasant time during their holidays. After singing God Save the Queen, the children and those present were grouped in front of the handsome school building, when Mr. Steele, of Steele & Wing, Winnipeg, photographed the entire party. School

will be resumed on August 17th. The following is the

COMMUNICATIONS.

A WRONG IMPRESSION.

To the Editor of the Times.

DEAR SIR,—Prince Albert is sometimes spoken of as the northern limit of the wheat producing country in the Saskatchewan District. It may be interesting to some of your readers to learn that this is an erroneous idea. I myself have raised good unfrosted wheat, for seven years in succession, at Stanley Mission, on the Missinippi or Churchill river, about two hundred and fifty miles north of Prince Albert.

Archd. of Saskatchewan.

Mr. G. W. Leacroix has opened out the old blacksmith shop on church street south of the Queen's.

Miss Hotson, the popular assistant teacher of the East End school, left for the east by Monday's train to enjoy her well earned holidays.

A new tennis player has arrived in town. Our local club should secure his services for the tournament at Duck Lake on the 13th inst.

Geo. Cockrill is erecting a handsome two-story cottage on Drummond street. When completed it will be occupied by Mr. W. Shannon and family.

Goodfellow Bros. have about completed arrangements for the putting in of a couple run of stones for gristing purposes in their sack and door factory. We learn they are receiving good encouragement from all sides.

F Division minstrel troupe have arranged for an entertainment on Friday evening next. Prof. Jackson will assist. Teams, as usual, will be on hand to carry citizens to and from the entertainment.

THE PRINCE ALBERT TIMES
AND
SASKATCHEWAN REVIEW,
PUBLISHED BY
J. D. MAVETY
AT
PRINCE ALBERT N. W. T.
WEDNESDAY, JULY 8, 1891.

The prospects of an abundant harvest were never brighter than they are this year. Grain is at least two weeks earlier than last year, and should the weather continue as favorable as now the wheat harvest will begin about the first of August.

The Prince Albert district is unsurpassed by any other district in Manitoba or the Northwest for beauty of scenery, fertility of soil, or magnificent crops, so say all who have visited this district.

The report that a peerage has been conferred upon Lady Macdonald is confirmed, and it will gratify the Canadian people to know that this signal mark of honor from the Sovereign has been bestowed upon her who was the devoted wife of our greatest statesman.

If accounts be true, free trade is on a pair of exceedingly shaky legs in the colony of New South Wales. The elections to Parliament have been concluded there. Of 137 already returned, out of a total membership of 141, there are 62 for free trade and 75 for protection. The indications certainly point to a protective policy being the fiscal course of the Commonwealth.

No sign of a national sentiment of love of country can be found which so truly and strongly marks its presence in the hearts of a people as the demonstrations which stamped the twenty-fifth anniversary of our existence as a united Dominion. The First of July should indeed be celebrated in such a manner as to indicate the deep seated patriotism of the people, and their regard of a country of which they have every reason to be proud.

A correspondent to the *Empire* considers it quite out of the question that Canadian skill could design and execute a suitable monument to the late Sir John Macdonald. We do not sympathize with this view. It is too soon yet to say what form the memorial may take, and what particular department of human genius may be called upon to design its erection, but while admitting the advantages which European artists, sculptors and architects enjoy, we will not admit that a memorial worthy of even the great name and fame of Sir John Macdonald could not be the product of Canadian brains. We appreciate and share our correspondent's desire to have the very best talent in the world pay tribute to the memory of our loved and honored statesman, but let us discourage the idea that Canadian artists are necessarily inferior to those of the Old World, that Canadian architects cannot hold their own with outside competition, and that Canadian sculptors are merely amateurs, and poor ones at that. The spirit of Know-nothingism is, we admit, very objectionable, but, other things being equal, the prizes in all these directions should go to Canadians. If the task of commemorating the name of Sir John Macdonald should, after discussion and consideration, be awarded for good and sufficient reasons to a European, so be it, but let us not couple with that perhaps reason-

able decision an unnecessary sneer that no Canadian was capable of undertaking the work. We incline strongly to the opinion that Canadian ability, as a general thing, is equal to any in the world, and has no superiors.

BY-LAW No.

A By-Law to raise the sum of Seven Thousand Dollars for Permanent Improvements in the Town of Prince Albert, and to authorize the issue of Debentures therefor:

Whereas it is necessary to raise the sum of Seven Thousand Dollars for the purpose of making and paying the cost of the following permanent improvements in the Corporation of the Town of Prince Albert, that is to say:

For the construction of Sidewalks and for grading and improving Streets and for drainage.

And whereas it will be requisite to raise annually during the term of twenty years by special rate for paying the interest and creating a Sinking Fund for paying said debt the sum of Six Hundred and Thirty Dollars.

And whereas the amount of the whole rateable property of said Corporation of the Town of Prince Albert according to the last revised assessment roll amounts to Seven Hundred and Twenty Six Thousand Nine Hundred and Eighty-Nine Dollars.

And whereas to raise the said yearly sum of Six Hundred and Thirty Dollars by an annual special rate upon the said rateable property will require to be one-tenth of one mill on the Dollar.

And whereas the existing Debenture debt of the said Corporation of the Town of Prince Albert amounts to Three Thousand Two Hundred Dollars, all of which is for principal, and there is no principal or interest in arrears.

Therefore, the Mayor and Council of the Corporation of the Town of Prince Albert in Council assembled enact as follows:

1. That the sum of Seven Thousand Dollars be raised by way of Loan upon the credit of the said Corporation of the Town of Prince Albert for the purposes set out in the recitals hereto.

2. It shall be lawful for the Mayor of the said Corporation of the Town of Prince Albert to issue Debentures of the said Corporation to the amount of Seven Thousand Dollars in sums of not less than Five Hundred Dollars each payable at the end of twenty years from the date, on which this By-Law takes effect, and to bear interest at the rate of Six per centum per annum payable yearly on the first day of September in each year, during the currency of the said Debentures.

3. That the said Debentures, together with the principal and interest, be made payable at any place in Great Britain or Canada, and may be expressed either in sterling money or in the currency of the Dominion of Canada.

4. That the said sum of Seven Thousand Dollars, being the amount required for the purpose of making and paying the cost of the permanent improvements herein mentioned, be laid out in Drainage, Grading and improving streets, in paying the cost of the following Sidewalks, namely: (a) From River Street to Third Street on west side of Church Street 1 foot 8 inches wide; (b) north side Third Street from 4th to 5th Street, along east side of Church Street 4 feet wide; (c) from 5th Street to 6th Street, along east side of Church Street 4 feet wide; (d) from 6th Street to 7th Street, along east side of Church Street 4 feet wide; TOWN COUNCIL

The Town Council met on Monday evening last.

All the members were present. His Worship in the chair.

The minutes of last meeting were read and adopted.

Licences were granted Alex. Spencer and Albert Hodgson, two horse dray; Graham Neilson and S. J. Donaldson, livery and feed stable; T. E. Jackson, soda water fountain; T. A. Borthwick two billiard tables.

Several other applications were received, but the necessary fee not having been paid, were not considered.

The Council was principally engaged considering amendments to the By-Law licensing hotels, saloons etc. The fee fixed for hotel licence is \$75. Persons desirous of carrying on saloons, must get two-thirds of the voters of the Ward in which the saloon is to be opened to sign a petition for that purpose, and the fee was fixed at \$100.

Several accounts were presented and referred to the proper committees.

In future all persons desirous of getting a licence must make the necessary deposit with application.

The Council adjourned to meet on Wednesday 15th inst.

DUCK LAKE.

As the 13th approaches preparations are being completed, and we are confident the sports will be the best ever held here. The C. P. R. has kindly given a fare and a third from all points.

We have a ghost here. It generally is seen between twelve and one o'clock at night. Several shots were fired at it one evening this week.

Mr. H. Mitchell has opened an office in town.

Our farmers are selling large numbers of cattle to Mr. Russell of your town at fair prices. They are for the English markets.

Mr. and Mrs. Stovel spent Friday in town. They are on their way to Battleford.

Messrs. Carter and Deihl shipped large consignments of wool to Winnipeg this week.

Mr. R. Wyld, of Battleford, has been awarded the contract of supplying beef to the Indians here.

Our postmaster, Mr. Fisher, has had another loss this week in the shape of a thoroughbred sheep, the wolves having killed it. The Assembly so amended the law that poison cannot be used to exterminate these pests, and they are becoming so numerous that farmers will have to give up sheep raising.

Wheat is now out in the shot blades, and there is every prospect of a big yield and early harvest. Barley is in head.

Our lacrosse team went to your town five men short hence their bad defeat, but on the 13th the Rustlers hope to have the thing reversed.

The riding club grows stronger every day, having now over a dozen members. One of the lady riders got a bad throw this week, but is all right again.

Contractor Porter has taken several new contracts. Hebe has also joined our lacrosse club.

T. P. Wadsworth left for Regina on Thursday, having completed his duties here.

GENERAL NEWS.

Ottawa, July 2.—On the item \$5,213 for Northwest Government, Mills argued in favor of giving the Northwest Assembly full control of the expenditure made in its name.

Prof. Saunders' report of the Government experimental farms has been issued. Between sixteen and seventeen tons of seed grain have been distributed during the year, among eleven thousand farmers, each receiving a three pound sample. Demands from Manitoba and the Northwest for small forest trees for experimental planting on the plains are very great. One hundred thousand trees had been secured and arrangements made to put those up in 1,000 packages of 100 trees each, thinking this would be an ample supply, but within five or six weeks after the announcement was made 2,000 applications were received. The requests were complied with as far as the material would allow, and the circular was sent to those who did not receive any, stating that if any further distribution was decided their names would be considered first. By instruction of the minister preparations were made to distribute 200,000 more this spring, taking first the names of those who applied last year. This has been done, and about four hundred additional applicants supplied.

In the chemical branch, conducted by Mr. Shutt, a number of samples of soil from different provinces, including alkaline soils from the Northwest and heavy soils from the far western plains, have been analyzed with a view to determine the relative fertility of the different soils.

London, July 2.—Sir James Ferguson, replying to Mr. Labouchere, in the House said, that the Government had no information as to the stipulations of the Triple Alliance, but had no doubt that Premier Rudini had correctly described in the Italian parliament the exchange of views between England and Italy, as to any measures that would be taken to maintain in case of need statu quo in the Mediterranean. That would be a matter for consideration according to the circumstances of the time. The employment of British forces would depend upon the estimate of these circumstances entertained by England. The existing understanding was not aimed at any power.

Vienna, July 2.—The electrical world is greatly excited over the discovery made by Capt. Franz Walter, the lecturer, at the military academy, of a method of amalgamating glass with other metals besides platinum. The invention will revolutionize the manufacture of electric lamps in which the use of platinum will be discarded, thereby doing away with the principal source of expense. Capt. Walter asserts that by his

methods lamps can be manufactured 100 per cent cheaper than in the old manner and that the breakage would not amount to five per cent.

Montreal, July 2.—A special cable to the Witness says: Col. Howard Vincent, M.P., will sail on July 15th to confer with the Canadian parliamentary adherents of the United Empire Trade League before the adjournment of parliament.

It is rumored here that Duncan McIntyre has joined the board of directors of the Grand Trunk.

Constantinople, July 2.—Jewish families, to the number of two or three hundred weekly are arriving in Palestine in a destitute condition. Typhus and Scarlatta are raging in Jerusalem and a general pestilence is feared.

London, July 2.—The victim of the accident at Mount Vesuvius was Dr. Silva Jardim of Rio Janeiro, Brazil, a journalist. He fell 170 feet into the glowing lava of the crater.

The exports from Sheffield for the quarter just ended show a decrease of £70,000 owing to the McKinley bill.

The House of Lords has passed the Irish land purchase bill through committee.

In the House of Commons Chancellor Goschen said that the Government was willing to advance £50,000 to promote immigration from the Scottish Highlands to British Columbia.

Montreal, July 2.—The Harbor Commissioners have decided to proceed immediately with the work of enlarging and improving the harbor. A new plant is to be purchased for the vigorous carrying on of the great undertaking during next and following seasons.

New York, July 2.—Prince George visited the Garden theatre this evening, and after the performance was escorted to the garden. Upon his entrance Gilmore struck up the Greek national anthem, which greatly pleased the Prince. He afterward expressed himself as delighted with his theatre experience in New York.

Ottawa, July 2.—The agriculture and colonization committee met this morning. W. A. Webster, Government immigration agent, reviewed his successful labors among Dakota farmers. He said he had induced over one thousand to settle in Manitoba and the Northwest this season, and had laid the foundation of a much greater influx for the next year. He alone had located a party of two hundred and eighty in one colony in Manitoba. He described the desolation prevailing in Dakota and the depopulation now going on there. He considered it absolutely necessary that the Dominion Government should assist all desirable Dakotans in obtaining homes in Canada. If no further aid would be furnished he proposed to continue the work among the half-starved settlers at his own expense.

London, July 2.—Alexander & Co. one of the largest houses in this city and Liverpool, have failed.

A Glasgow despatch says 3,500 additional ironworkers struck against the proposed five per cent reduction of wages.

Mr. and Mrs. Cann returned from Winnipeg on Tuesday's train.

Mr. Jas. Brown, Regina, Sec. Board of Education, N.W.T., spent Sunday in town.

Rev. Canon Flett, P. P. S. Inspector, is holding a teachers' examination at the Central School.

St. George's Society meet at 6:45 p.m., Friday next for the purpose of having the members photographed in a group.

Mr. and Mrs. Jas. Stevenson, of Stanley Mission, arrived in on Friday last, and are visiting friends in this locality.

Capt. Craig, of the Craig ranch, Carlton, gave us a call Monday last. The captain says crops all the way down are looking magnificent, never better, in his experience at this time of year.

Mr. E. Stanley, Indian Farm Instructor, at Stanley Mission, is doing good work in that locality. He has commenced the erection of a school building and intends opening up a school in addition to his other duties.

John Stewart, who conducts a small experimental farm here on his own hook, on Monday sent samples east of the grain grown by him. The two-rowed barley was about 3½ feet long, and the wheat and oats about 40 inches, and all in head.

All the school children of School District No. 3, trustees and teachers, are requested to be at the Central School tomorrow (Thursday) at 6 p.m., to have their photo taken. Any parents who wish may also be present. It is to be hoped there will be a large attendance and punctual on time by request of Mr. Steele, photographer.

Messrs. Pearce, Lumsden and Osler, who came in on Saturday's train, we understand, took the run over the road for the purpose of settling the right of way through certain school lands. Messrs. Lumsden and Osler returned east by Monday's train, Mr. Pearce remaining over on public business in connection with the Interior Department.

Mr. J. M. Mustard, late High School teacher here, left for his old home in Ontario Monday last. We understand Mr. Mustard intends resuming his studies, and will probably enter the ministry. He will be much missed in church circles here, having taken a very active part in church affairs since his arrival here. We heartily wish him prosperity in his future career.

Mr. F. Steele, of Steele & Wing, photographers, Winnipeg, has made some excellent group pictures of our town Council, Prince Albert and Duck Lake lacrosse teams, the cricket eleven, the cornet band, Fire Brigade No. 2, and some good instantaneous photos on 1st July celebrations at the park. The groups are as fine as any we have seen turned out of the best eastern studios.

A casual visit to Sproat & McLeod's mammoth store this week surprised us. The proprietors were busy unpacking, and marking a fresh arrival of goods. We remarked, more good? Yes, replied the genial Mac, new settlers are about coming in by the train load, and the Golden Lion must be ready to receive them. We took a look around, but it would be useless to attempt describing what we saw. You must visit the place and see for yourself. Don't fail in doing so.

The installation of the officers of Rupert Council No. 4, R. T. of T., for the present term took place last evening, by Bro. W. C. Kernaghan, Grand Treasurer of the Grand Council of Manitoba. The following were installed: Bro. Joseph Kernaghan, S. C., Bro. D. C. McLellan, P. C., Sister Brooks, V. C., Bro. F. Parker, R. S., Bro. Stull, Chap., Sister Stull, Treas., Bro. F. Orr, F. S., Bro. D. Williamson, Herald, Bro. H. Brooks, Guard, Bro. B. Brooks, Sentinel, Sister Orr, Organist.

The demand for the issue of the *Dominion Illustrated* for June 20th, devoted to a splendidly illustrated account of the funeral of the late Sir John Macdonald, far exceeded the supply, though a very large edition was issued. The work on this number was most artistically done, and reflects the highest credit on the enterprise of the publishers. The *Dominion Illustrated* is a journal that deserves a wide and generous support from the people of Canada. It is the only high class illustrated journal published in the Dominion.

DOMINION DAY.

How It Was Spent in Prince Albert.

The 24th anniversary of the consolidation of the provinces of our glorious heritage into one grand Dominion was observed as a holiday, and the day celebrated by athletic sports, lacrosse, base ball, lawn tennis, foot and horse races. The first event of the day was the lacrosse match between the Prince Albert club and the Duck Lake Rustlers, under the captaincy of Dr. Stewart. The game started at 9:30 o'clock a.m., and was vigorously kept up till twelve, and resulted in the Prince Albert team scoring nine goals to nothing. The playing of Howard served the town club a good turn, as he invariably shot the ball through his opponent's goal notwithstanding the lively opposition shown by the Rustlers. After the game both clubs adjourned to the Leland House where a hot dinner was served, the excitement and labor of the play lending a zest to the appetites of the players.

In the afternoon the residents of the town and country, and the visitors from afar gathered at a pretty park like spot on the estate of John A. Macdonald, there under the auspices of the Fire Brigade, and to the sweet strains of the Prince Albert brass band, the day's sports began. In the centre of the level piece of prairie wisely selected by the committee, was a circular race course half a mile in circumference, and it was on this track that the athletic games, foot and horse races took place.

All the countryside was gathered to do honor to Canada's national holiday, and the bright uniforms of the Mounted Police, the gay costumes of the ladies, the holiday dress of the children and the variegated colored blankets of the aborigines, with face redolent with corn and beef tallow, made quite a gay scene, in fact so attractive was the view that ever and anon—now from a farmer's wagon, and again from the judge's stand—could be seen the form of Mr. Steele, our photographer, half enveloped in dark cloth with his ominous looking instrument directed towards the multitude, taking views of the performance, performers and onlookers.

A base ball match was played on the grounds between the Colliers and town clubs. Very good play was shown, both teams, for in the first three innings only one run was scored, but a decision of the umpire in the seventh inning, when both clubs had scored fifteen each, gave displeasure to the best player of the town club, and he foolishly refused to play another innings thereby giving Colleston the game by nine runs.

The day was all that could be desired, enough breeze for comfort, and although rain threatened none fell, and at the conclusion the general verdict of all was, we have had the worth of our money and spent a delightful day. The Prince Albert Band, under the leadership of Mr. Street, deserves great praise for the masterful way in which they helped in the day's entertainment, considering the short time they had to practice, too much praise cannot be given them, and all generous minded citizens should make it their duty to aid what is really an acquisition to our town.
